

18TH SGA Biennial Meeting 2025

Colorado School of Mines
Golden, Colorado USA

Golden, Colorado USA – August 3-7, 2025 – www.sga2025.org

Sponsorship & Exhibition Prospectus

ABOUT THE SGA

SGA (Society for Geology Applied to Mineral Deposits) is an international society that promotes the science related to mineral deposits and exploration. Its worldwide membership (over 1300) is composed of researchers, professionals and students. Its associated publication, *Mineralium Deposita*, is recognized as a premier international journal on mineral deposits geology.

The SGA organizes an international conference every two years. In August, 2025, it will be held on the Colorado School of Mines campus in Golden, Colorado. This will be the first time that the Conference has been held in the USA, and we are confident it will bring many attendees from North America and around the world.

OPPORTUNITY FOR PARTNERSHIP

On behalf of the Organizing Committee, we invite you to consider one of our sponsorship and exhibition packages to ensure that your organization gets the best possible exposure and maximum benefit at the 18th SGA Biennial Conference. We hope that you can join us to make SGA 2025 the best success it can be, encouraging and influencing future state-of-the-art mineral deposit research, exploration, sustainable resource development and environmental management.

SGA 2025 Organizing Committee

“Sponsorship of SGA 2025 provides a unique opportunity for your organization to show its support for the advancement of mineral deposit research and exploration in an International forum.”

Erik Tharalson (USGS)

FAST FACTS

SGA CONFERENCE OVERVIEW

The SGA Conference is the world’s premier forum for exchange of ideas on a broad range of issues related to mineral deposit research, exploration, development, and the environment. It is held every second year.

WHEN

August 3-7, 2025

WHERE

Colorado School of Mines campus, Golden, CO, USA. A 35-40 minute drive from Denver International Airport (DIA)

WHAT

Four days of oral and poster presentations, pre- and post-conference short courses, and exciting field trips, plus accompanying persons program and other social activities.

EXPECTED NUMBERS

600-700 national and international delegates. Delegate representation includes academia, industry, government research organizations, consultants and service providers.

HISTORY

Past SGA conferences have been held in Australia, Canada, Chile, China, Czech Republic, Finland, France, Greece, Ireland, New Zealand (virtual), Poland, Scotland, Spain, Sweden, Switzerland, and the UK. The 2025 Conference will be the first ever in the US.

WHERE IS THIS CONFERENCE PROMOTED?

- The conference web site (sga2025.org)
- LinkedIn (linkedin.com/company/society-for-geology-applied-to-mineral-deposits/)
- Other conferences where SGA has an exhibition booth (e.g. SEG, GAC-MAC)
- Through memberships of co-sponsoring organizations
- Emails to all SGA members
- Conference circulars (emailed and web site downloads)
- Association newsletters, e.g. SGA, SEG
- Social media
